

**Buffalo – Maple Lake – Montrose Day Camp**  
July 28<sup>th</sup> – July 30<sup>th</sup>, 2010  
Cruisin' GS Style

The Day camp committee will be running a contest to design the patch for camp this year. Anyone interested in having their design considered for great prizes and recognition will want to have this form to their leader to be turned in at the May leaders meeting (5/11).

The theme for this year's camp is Cruisin' GS Style (a cruise ship theme that will take you to Hawaii, Mexico, Japan and ancient Egypt). Your design should represent your interpretation of this theme. Day camp committee members will be voting on the best design(s). Please use only the circle provided to make your design and keep your color selection to 5 or less colors. You may trace the circle if you need additional entries or print off a copy of the form which can be found at <http://www.girlscoutsbml.org/camppatch.pdf>

**\* Put your name and troop number on the BACK OF THE FORM ONLY.**
